

## Hand Protection Guide

# HAND PROTECTION FROM A WORLD LEADER

## GLOBUS HAS ESTABLISHED AN ENVIABLE REPUTATION AS A LEADING SPECIALIST IN HAND PROTECTION.

From the rigours of heavy construction to the complexity of clean room and aerospace manufacturing, workers in a wide variety of industry sectors rely on advanced and innovative hand protection products from Globus to protect them day after day.

The highly experienced team of Globus hand protection experts are always on hand to help ensure your workforce is suitably protected.

### The Globus Hand Protection Programme

There are numerous factors to consider as part of the selection process for protective gloves. However when the right choice is made, the benefits can be far-reaching within your organisation.

A valuable facet of working with Globus comes in the form of bespoke solution building. This can draw on many areas of expertise depending on requirements, thus ensuring a solution and supporting business case tailored precisely for you. The assessment is obligation-free for qualifying companies and carried out by a Globus hand protection expert.

#### SIX STEPS TO BESPOKE HAND PROTECTION FROM GLOBUS

## MSC INDUSTRIAL SUPPLY CO.

MSC is a leader in the supply of Metalworking and MRO products and services. We will save you time and money by transforming the way you operate. The manufacturing world is split into two, those who love MSC and those who haven't tried us yet.

We speak to or visit hundreds of businesses like yours every day and we understand what you need, which is why we are passionate about providing a market-leading customer experience and quality products tailored to the manufacturing sector.

- Unbeatable stock availability, 97% delivered next day, removing the stress from your working day
- Technical back up, with bespoke Engineering support to streamline processes and save you time and money
- Accredited customer service team which really cares, to take your orders and so much more

**OVER

## WHY MSC AND GLOBUS?

MSC and Globus work together to reduce your accident rates, improve your productivity and save you money. In addition to Globus providing a world-leading product range, MSC have industry-leading stock availability with next day delivery, meaning you can rely on MSC to deliver a seamless and reliable service.

### WORKING WITH YOU TO MAKE A DIFFERENCE

#### Reduce Accident Rates

- Best in class protection
- Products recommended by application
- Product education available for your workers

#### Improve Productivity

- Free product audit and trials
- Product performance testing
- Reduce downtime associated with replacing PPE

#### Save Costs

- Product range and usage consolidation
- Reduce disposable cost
- Lower storage costs
- Fewer purchasing transactions

## SHOWA | 377

### NITRILE FOAM PALM COATING OVER NITRILE | POLYESTER LINER

Long-lasting grip performance in wet and oily conditions

- Protects the hand from oils, hydrocarbons, grease and abrasion, with optimal long lasting grip
- Impermeable for working in damp or greasy environments, with increased resistance to abrasion for better durability
- Minimal allergy risks
- Designed for easy movement and continuous wear
- Reinforced knit cuff
- No irritation by seams in contact with the skin
- Wrist well protected

## SHOWA | 265

### NITRILE COATING | NYLON LINER

This low lint glove is ideal for protecting the hands against fluids such as anti-rust oils. It is extremely lightweight with a nitrile coating to the palm and fingertips.

- Protects the hand from oils, hydrocarbons, grease and abrasion
- Nitrile coated palm with a smooth finish
- Excellent resistance to abrasion and tearing
- Standard finish without special treatment
- Anatomical shape
- Seamless knit
- Elasticated cuff

8/L	SHW-00109D	£3.73
9/XL	SHW-00110D	

## SHOWA | 330

### NATURAL LATEX COATING | POLYESTER/COTTON LINER

Reinforced grip glove. Double latex coating in the area of the glove subject to most stress; between thumb and index finger.

- Ideal for heavy duty manual handling including scaffolding
- Increased resistance in areas subject to most stress
- Protects the hand in damp environments or against aggressive detergents or alcohols
- Surface provides tactile feel and better grip
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin
- Colouring helps extend wearable life

9/L	SHW-00029L	£3.73
10/XL	SHW-00030L	

## SHOWA | 380

### NITRILE FOAM COATING | NYLON LINER

The microporous nitrile foam embossed finish provides a strong grip in wet, dry or oily conditions. Ideal for precision tasks.

- A light, elastic low-lint glove, resistant to deformation and which keeps its shape longer
- Protects the hand from oils, hydrocarbons, grease and abrasion, with optimal long lasting grip
- Breathable back of hand to reduce perspiration
- Nitrile coating is formed and compressed to maximise grip, flexibility and durability
- Surface of palm encourages grease dispersal
- Designed for easy movement and continuous wear

## SKYTEC OHIO™

### PVC-HPT FOAM COATING NYLON LINER

Durable and flexible PVC sponge touch coating using hydrophellent technology provides excellent grip in oily, damp and dry handling conditions whilst maintaining good tactility.

- PVC-HPT foam coating containing encapsulated air molecules provides an inherent cushioning effect
- Anatomically designed for comfort, dexterity and fit
- Lint-free and silicone-free
- Breathable back of glove to minimise perspiration
- Seamless liner prevents irritation
- Knitted wrist provides a secure fit

8/M	SHW-00052L	£2.90
9/L	SHW-00053H	
10/XL	SHW-00054C	

## HAGANE Coil® Technology

Using patented Hagane Coil technology, SHOWA S-TEX gloves provide **exceptionally high levels of cut resistance** without sacrificing performance and comfort.

The **unique coiling technique** twists an attending yarn loosely around the high carbon Hagane stainless steel core. This protects the steel core when the hand bends and flexes for **maximum comfort**. Hagane steel is used in forging samurai sword blades.

ULTRA HIGH CUT RESISTANCE

**SHOWA S-TEX 376**

NITRILE WITH NITRILE FOAM COATING | HAGANE COIL STEEL/POLYESTER LINER

- ¾ coated nitrile with an additional coating of foam nitrile on the palm and fingertips
- Seamless 13 gauge Hagane Coil® knitted liner
- Protects from oils, grease and abrasion

- Long lasting grip performance in wet and oily conditions
- Manufactured using an ergonomically designed hand mould that replicates the natural curvature of the human hand
- Wrist protection

7/M	SHW-00274A	
8/L	SHW-00248M	£13.36
9/XL	SHW-00290L	

## SKYTEC NINJA X4™

### BI-POLYMER COATING NYLON LINER

A supple and lightweight glove providing a level 4 cut resistance, dexterity and comfort. The bi-polymer coating delivers excellent grip in both wet and dry handling conditions.

- High resistance to abrasion
- Breathable liner
- Silicone free
- Elasticated wrist provides a secure fit
- Mottled grey and black colouring helps to extend wearable life

8/M	GST-00015K	
9/L	GST-00012J	£10.49
10/XL	GST-00016E	

## SKYTEC NINJA SILVER+™

### POLYURETHANE COATING HPPE LINER

Outstanding cut resistance whilst maintaining a high degree of comfort and dexterity. PU coating protects the hand from oils and grease delivering effective long lasting grip.

- Excellent grip in wet, oily or dry conditions
- High durability resistance to rips and abrasion
- Glove retains flexibility despite its high protection levels
- Machine knitted liners made with High Performance Polyethylene and glass yarn to provide a good cut resistance barrier
- Coated with polyurethane on palm up to fingers
- Breathable liner helps keep hands cool

9/L	SHW-00140C	
10/XL	SHW-00141M	£12.82

## SHOWA 541

### POLYURETHANE COATING HPPE LINER

Supple and light, the 541 provides a high degree of comfort when performing delicate tasks in dry and greasy handling condition where the risk of cuts is high

- Protects the hand from oils and abrasion while remaining elastic and breathable
- Breathable back of hand to reduce perspiration
- Minimal allergy risks
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin

7/M	SHW-00176D	
8/L	SHW-00142J	£10.98

## SKYTEC SAPPHIRE™

### POLYURETHANE COATING HPPE LINER

The 18 gauge liner and thin palm-dipped PU coating combine to deliver a cut resistant barrier that is ideal for the superior precision handling of sharp components in dry conditions.

- Enables precise handling of small components
- Offers a combination of comfort, dexterity and cut resistance
- Secure grip in light oily, greasy and dry conditions
- Excellent resistance to abrasion and rips for extended durability
- Elasticated wrist provides a secure fit
- Breathable liner keeps hand cool and helps to reduce perspiration

8/M	SHW-00222B	
9/L	SHW-00223L	£8.66

## SKYTEC NINJA KNIGHT™

### BI-POLYMER COATING HPPE LINER

Extremely durable and delivers maximum resistance to cuts, abrasion, tearing and punctures without compromising dexterity, sensitivity and comfort.

- Bi-polymer coating ensures excellent grip in wet and dry handling conditions
- Anatomically designed for comfort, dexterity and fit
- Glove retains flexibility despite its high protection levels
- Machine knitted liner made with High Performance Polyethylene and glass yarn to provide a good cut resistance barrier
- Elasticated wrist provides a secure fit

9/L	SHW-00182L	
10/XL	SHW-00183H	£12.82

## SKYTEC ULTIMUS LITE™

### NITRILE FOAM COATING HPPE LINER

A durable glove providing high resistance to cuts and protection when handling sharp, slippery objects such as glass and metal.

- Excellent grip in damp, oily and dry conditions
- High levels of flexibility and dexterity
- Advanced sponge nitrile coating
- Lightweight 13 gauge liner and enhanced protective padding
- Reinforced thumb-line enhances durability
- Breathable liner keeps hand cool and helps to reduce perspiration
- Elasticated wrist provides a secure fit

7/S	SHW-00261J	
8/M	SHW-00260M	
9/L	SHW-00259M	
10/XL	SHW-00262D	£9.84

## CHEMICAL RESISTANT

### SHOWA 660

#### PVC COATING COTTON LINER

Strong, yet extremely soft and flexible. The rough textured coating ensures grip and increases the glove's abrasion resistance and durability.

- Absorbs perspiration, for ultra comfortable extended wear
- Surface provides tactile feel and better grip
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin
- Forearm well protected

9/L	SHW-00111A	£3.96
10/XL	SHW-00072E	

### SHOWA CHM

#### NEOPRENE/LATEX COATING COTTON FLOCK LINER

A flexible glove that absorbs perspiration and protects the hand from a wide range of chemicals as well as providing good grip. Double-dipped for long-lasting resistance.

- Self-flushing tractor-tread grip encourages fluids to run-off
- Cuff prevents dirt from entering the glove
- Surface provides good grip and wet substances can be repelled
- Blue colour spotted when the coating is damaged

8/M	SHW-00171L	
9/L	SHW-00172H	£2.26
10/XL	SHW-00173C	

### SHOWA NSK24

#### NITRILE COATING COTTON/POLYESTER LINER

A flexible impermeable knit-lined nitrile glove providing grip and protection from an array of solvents, oils and acids.

- Double nitrile coating provides excellent chemical, oil and abrasion resistance
- Liner absorbs perspiration, for ultra-comfortable extended wear
- Scalloped edge
- Rough textured finish over surface of hand
- Length: 350mm (14inch)

NSK24	10/L	SHW-00162C	£8.92
	11/XXL	SHW-00163M	
NSK26	10/L	SHW-00166A	£16.02

version  
available

## HEAT RESISTANT

### SHOWA 8814

#### NEOPRENE COATING COTTON LINER

A comfortable, supple glove providing effective protection against abrasion with a very good grip and protects the hand against hot temperatures.

- Heat protection up to 260°C
- Fully coated
- Textured finish
- Impermeable for working in damp or greasy environments
- Easy to put on and remove
- Wrist well protected

9/L	SHW-00301M	£15.49
10/XL	SHW-00302J	

## THERMAL

### SKYTEC ARGON™

#### HPT FOAM COATING NYLON LINER

Featuring a soft, thermal lining and a durable HPT foam coating that extends across the knuckles, Argon provides excellent warmth, grip and protection even in damp environments.

- Durable glove that remains flexible to temperatures as low as -50°C
- Water repellent on ¾ palm coating
- Encapsulated air molecules provide an inherent cushioning effect
- Excellent dexterity, flexibility and durability
- Silicone free

8/M	GST-00042H	
9/L	GST-00043C	£5.82
10/XL	GST-00044M	

## DISPOSABLE AND CHEMICAL RESISTANT

### SKYTEC UTAH™

#### 100% NITRILE

High performance, powder-free, nitrile single-use glove. Significantly stronger alternative to latex and food safe.

- Comfortable with a 'second skin' feel
- Resistant to oils, acids and many chemicals
- Textured finish on fingertips for improved grip and touch
- Powder-free, non-sterile
- Latex free - ideal for people with a Type I latex sensitivity

7/S	SHW-00043C	
8/M	SHW-00044M	
9/L	SHW-00045J	£12.70
10/XL	SHW-00046D	
11/XXL	SHW-00232E	

### SKYTEC IRIS™

#### 100% NITRILE

High performance, powder-free, nitrile single-use glove. Significantly stronger alternative to latex and food safe.

- Comfortable with a 'second skin' feel
- Resistant to oils, acids and many chemicals
- Textured finish on fingertips for improved grip and touch
- Powder-free, non-sterile
- Latex free - ideal for people with a Type I latex sensitivity
